Profile

Landmark Pinnacle Inc. (LPI) specializes in building envelope design, engineering and consulting. We provide a full range of design, drafting and engineering services, from the pre-construction stage to site installation. Our depth of understanding and decades of industry experience will add value at all project stages.

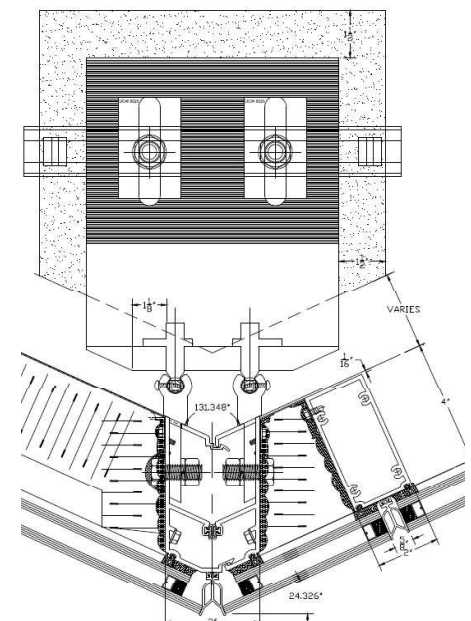

Design Services

Engaging **Landmark Pinnacle** at the initial design development stages will yield cladding design solutions which meet architectural intent, specification requirements and projected budgets. We collaborate with manufacturing, architectural and construction firms to develop workable details that promote building envelope value and performance.

LPI provides:

- System design: complete integrated die sets for unitized curtain wall, stick curtain wall, window wall and rain screen cladding systems.
- Anchor design
- Formal client presentations
- 2D and 3D thermal analysis
- 3D printed prototypes

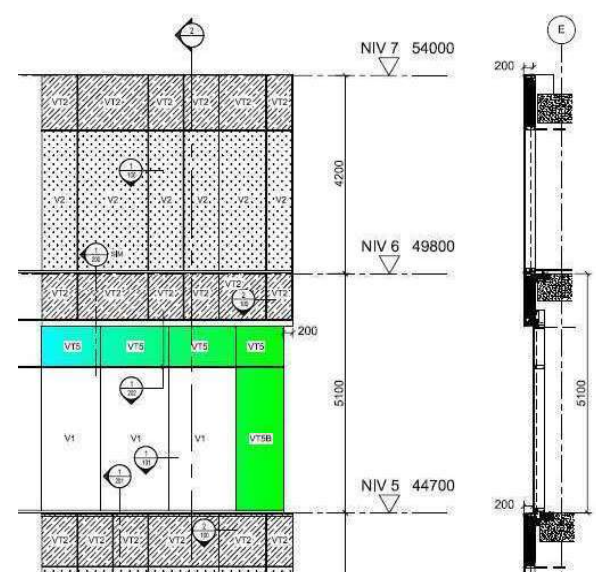

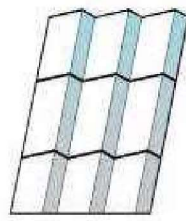

Drafting Services

LPI offers a full range of drafting services to curtain wall manufacturers and installers throughout North America.

LPI provides:

- Proposal drawings, either utilizing a custom system, or an existing system chassis from a manufacturer of your choice.
- Mock-up shop drawings
- Shop drawings (full submission sets)
- Fabrication releases
- Fabrication instructions
- Installation instructions, tag plans and elevations

PROJECTS

The following are some of the projects in which LPI's team was involved;

1. The Bow, Calgary, AB
2. The One, Toronto, ON
3. Tower E (Stantec Tower), Toronto, ON
4. 30 Dalton, Boston, MA
5. 222 East 41st St., NY, NY
6. 221 Main St., White Plains NY
7. 500 NJ Ave., Washington, DC
8. 909 5th Ave., Seattle, WA
9. The Hyatt, Edmonton, AB
10. Bridgepoint Hospital, Toronto, ON
11. Broadgate, London, England
